NOTES:

- a/ These amounts are limitations and will not be exceeded without the approval of the next higher authority. Major program totals are subject to the provisions of AR 37-20.
- b/ This cumulative direct obligation amount constitutes a limitation subject to the provisions of AR 37-20.
- c/ This annual funded reimbursable obligation amount is a limitation subject to the provisions of AR 37-20 and is available only in an amount equal to the order received and established or the total annual obligations incurred against funded reimbursable orders, whichever is less.
- d/ This amount is the base operations direct obligations included in the program and appropriation totals.
- e/ These cumulative quarterly obligations as increased by automatic reimbursable orders received constitute limitations subject to the provisions of AR 37-20.
